

Core::IDatabase

```
classDiagram
    class CoreIDatabase["Core::IDatabase"]
    class CoreCMYSQL_Database["Core::CMYSQL_Database"]
    CoreCMYSQL_Database --|> CoreIDatabase
```

The diagram illustrates a class hierarchy. At the top is the 'Core::IDatabase' class, represented by a white box with a black border. Below it is the 'Core::CMYSQL_Database' class, represented by a gray box with a black border. A solid blue arrow points from the bottom center of the 'Core::CMYSQL_Database' box to the bottom center of the 'Core::IDatabase' box, indicating that 'Core::CMYSQL_Database' inherits from 'Core::IDatabase'.

Core::CMYSQL_Database
